## From the Killing Fields to the Missions Field

### PRAISE & PRAYER

We asked you to pray for the Destiny Changers Conference in our last newsletter. The Lord answered your prayer! There was a great move of the Holy Spirit. Many of the participants received a fresh anointing and filled with the Holy Spirit.

Please pray for Veasna. He's one of our leaders and former kid from the orphanage. He was diagnosed with leukemia. He needs a miracle!

Merry Christmas! May the miracle of Christ's birth continue to give you the sense of awe and joy like that of the shepherds after laying eyes on Jesus. As Scripture tells us, "The shepherds returned, glorifying and praising God for all the things they had heard and seen, which were just they had been told" (Luke 2:20). Thank you for allowing us to share the Good News with the people of Cambodia.

Raising up a generation of destiny changers who will transform the nation of Cambodia.

**Couples Seminar in Svey Leur Church**

Though many years have passed, the wounds are still fresh and raw in the hearts of most Cambodians. The traumas of the genocide affect everyone and every aspect of life. Last month, we held a Couples Seminar in one of the village churches to provide a place and space for healings and helps.
