

LY FAMILY

From the Killing Fields to the Missions Field

Dear Friends,

We're living in unprecedented times. As each passing day brings more bad news, we take comfort in knowing God is in control. As the Psalmist declared, "God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the

sea, though its waters roar and foam and the mountain quake with their surging" (Psalms 46:1-3, NIV).

Please know we are praying for you as you do the same for us. May you find refuge in Him. May His strength be yours. May His ever-present continue to comfort you and your families in these times of uncertainty.

PRAISE & PRAYER

Last month, we baptized 20 people into the family of God. In the village of Chaab, about three hours drive from Siem Reap, the gospel has reached this small group of people.

Please pray for them. Pray for their spiritual growth, for the deepening of their faith, for God's protection from persecution and provision for their needs.

Please pray for the Cambodian church amid this coronavirus pandemic. Like most places around the globe, there is a restriction on gatherings. But unlike churches in the US, the believers here have no ability nor capability to meet remotely

I can see! The man sitting in front of me enthusiastically exclaimed after receiving and trying on a pair of reading glasses. Those three simple words hold more truth and meaning than the man who spoke them might have realized. Just a couple of weeks before, he, his family and a group of other villagers accepted Jesus Christ as their Lord and Savior. God opened their spiritual eyes. Now, he can see indeed!
